Services. Sunday 8th November, Remembrance Service 10.45am to be confirmed please check notice boards and social media

Sunday 22nd November Said Eucharist 11am

Always check the Church notice boards and social media in this present situation we are living in, or contact Jonathan directly.

Annual Church Parish Meeting. For obvious reasons this had been delayed from April but at last we were able to hold the meeting within the Church.

Appointed officers were Chairman Revd Neil Bullen, Secretary Marc Maitland, Treasurer Christine Newell, Committee, Marijki Harris, Lorna Webb, Bonnie Smart, Denise Warcup. Churchwardens Jonathan Newell and Steve Warcup

I would like to say I have been very fortunate having Sue Atkinson as my other Churchwarden over the last 2 years and more. She has worked tirelessly through thick and thin in supporting me. I could not have done without her support especially organising refreshments for numerous functions sorting out the Flower Rota, setting up for Services, and generally keeping me on my toes. We are sorry Sue is stepping down, but we completely understand, and all our thoughts and prayers are with her.

Unfortunately, we have 2 other members of the PCC stepping down for various reasons Bryony Harrison and Eric Jessop. Added together their total number of years serving on the PCC is over 100 years. It must be some sort of record. This gives me a great honour to thank them for all their hard work over the years through all the "Highs and Lows" Although they are stepping, I know they will always help us if needed.

We thank Steve Warcup for taking the position on the PCC as Churchwarden but it's not official till he's sworn in, so any problems in the meantime contact me or Revd Neil Bullen

Rippingale & District Friendship Club. It is with regret that due to the Covid 19 situation meetings remain suspended until things improve.

Rippingale & District WI October 2020 update. Back in April this year, our W.I was due to have its annual meeting. However, as you are all aware, the Covid virus caused meetings in halls to be cancelled and have not recommenced at the time of writing. This does not mean that our W.I has not kept in touch! Thank goodness for technology! Via Zoom & email, we have had several moral boosting emails from our past President checking that members were well and had any help they needed. There were some on-line exercise classes to keep us fit, plus quizzes & competitions plus all the news from our local Federation & National offices. Chris, one of our members, won the Federation Photographic Competition during this time! Once members got the hang of using Zoom, the committee was able to have a meeting and voting was then organised for the overdue AGM. Rachel was duly elected as our new President, thanking Jeannie, our past President for covering for an extended period.

We welcomed one new member who joined us during October, Andrea from Rippingale. Birthday greetings were given to those celebrating this month. During the meeting Michelle & Kay advised that the Medical Detection Dogs were now being trained to detect the Covid 19 virus & suggested that this might be something our WI might like to support. We are still being asked to collect milk bottle tops, used stamps, aluminium cans & crisp packets for various causes.

Sadly, Denman, our WI college in Oxfordshire has had to take the decision to close permanently. However, once again with the use of technology, courses are now being offered on-line. Our member, Michele, is currently enjoying a Family History course, one of a wide range of courses on offer for a small fee.

Next month, November 5th via Zoom, we will have Steve Seabrook, an ex-Policeman, telling us about an important robbery he was involved with. Please, if anyone with Zoom could offer to buddy up with someone without the facility, obeying the guidelines of course!!

If anyone is feeling lonely during this difficult time and you think that our WI could provide some much-needed friendship, please do not hesitate to contact us. Enquiries to: - radwi@btinternet.com.

Coronavirus Support. Depending on Government guidance on containing and eradicating the COVID-19 virus, the Village Coronavirus Support Group will continue its operations as long as required. It links with the Lincolnshire County Council and South Kesteven District Council support networks. These local volunteers have been assisting vulnerable and elderly residents, who are self-isolating due to COVID-19. This help includes picking up supplies, posting mail, collecting prescriptions, gardening and assistance with pets. The volunteers are also there for a friendly phone call. If you need help or support please contact the volunteer co-ordinators on:07856986251 and leave your name, address and phone number so one of the volunteers can call you back. Alternatively email: suemcharlton@gmail.com, erica.j.fl@gmail.com and katelewis162@hotmail.co.uk. Additional financial and material support may also available via Lincolnshire Resilience Forum, via www.lincolnshire.gov.uk/coronavirus or [01522 782189](tel:01522782189). Once again, well done and many thanks to all the volunteers and other residents for their efforts, which are much appreciated.

Jubilee Playing Field, Play Equipment Project. The Project to lay all weather surfaces under the current play equipment and a new basket swing, with the fitting of three exercise stands should now be complete. This should result in a better resourced area for all age groups and especially provide a facility to promote fitness and well-being.

New Parish Councillor. We welcome Jeanne Howard as a new Parish Councillor. She has wide experience of working as a Registered Nurse in the NHS and participating in Parent Teacher Associations. She is looking forward to contributing to the work of the Parish Council.

Neighbourhood Plan. Developments in this sphere have seen Dowsby members of the Combined Steering Group deciding to form their own designated authority and thus a separate Dowsby Neighbourhood Plan. It is intended that Rippingale will proceed with its own Neighbourhood Plan; funding is in place to do so. The Parish Council have supported this, and an agreed draft Rippingale Plan is nearing completion. It will be subject to a pre-submission consultation with Village residents, then reviewed by SKDC, before it is sent for independent examination and then a Referendum arranged. This cannot be before May 2021 due to Coronavirus restrictions.
