Rippingale and Dowsby Neighbourhood Plan. Work by the Steering Group continues; we had a meeting on 27th November to assess the state of the policies that form the main basis of the plan, in view of them being reviewed by the consultant. He is also bringing together the legal and procedural aspects. Consultation meetings on the Plan with residents and interested groups has commenced, with a presentation the monthly Business Breakfast Club and in January it is intended to meet with local landowners and host public events in Rippingale and Dowsby village halls. The Plan, when adopted, will be the local document on which future planning applications will be considered and should guide development proposals. If you wish to contribute to this process in anyway please contact me or contact Mike Hallas, the Project Manager, via mike.hallas@btinternet.com.

Points of Contact. Issues concerning fly tipping, street lighting and flooding, and much more can be reported on line. The County Council have responsibility for highway issues and drain blockage; most street lighting concerning us is the responsibility of the District Council, as is fly tipping. These issues, and others, can be reported via the County and District Councils' portals. These are:

Lincolnshire County Council: <https://www.lincolnshire.gov.uk/transport-and-roads>

South Kesteven County Council: <http://www.southkesteven.gov.uk/index.aspx?articleid=8953>

Dog Mess. Incidents regarding dog mess continue to be highlighted to the Parish Council, when inconsiderate dog owners leave dog mess in the street, on footpaths and in other areas. This is especially a hazard to children and unhygienic. There is also an issue with dog mess bags being left in ditches and hedges etc. There are dog waste bins available in the village for dog mess placed in bags and it is also acceptable for these bags to be placed in any public waste bin. I would ask that placing bags in the bin on the playing field ceases, as this is a children's play area; we are investigating siting a dog waste bin adjacent to the field.

Rippingale & District WI report for meeting on December 2019. On arrival members were greeted with tables beautifully laid out with Christmas decorations. Business was kept to a minimum, members having been kept up to date with events via our newsletter prepared as always by Beryl.

Our President introduced us to J's Jewels, a dance troupe with an eastern theme, with a sample of the show that was to come. The lovely buffet was then declared open! It was a time to socialize with other members whilst enjoying some delicious food. More entertainment followed, including some dances having a Christmas flavour. Members were then invited to take to the floor, they were all very brave and hilarious at the same time! Lucinda from the troupe gave a great solo performance in a stunning costume to well-earned applause.

Secret Santa distributed gifts, and all the donations to the Refuge & Food Bank were gathered together. Many thanks to members for their kind donations.

The evening came to a close after the competition winners were announced, raffle prizes won, and birthday cards given to those members with imminent birthdays.

The meeting next month will be a week later than usual on Thursday 9th January. Starting at 7.30pm in the hall. It's the members evening and all information about it will be revealed on the night. It would be lovely if you could join us.

Rippingale and District Friendship Club. We finished 2019 with a very good Christmas lunch cooked and served by Clark's Catering in Rippingale village hall. There were 40 members and guests and a varied menu to choose from all very enjoyable. Christmas music played and everyone received a gift. Ivan entertained us with his funny stories and the afternoon was rounded off with a raffle, all prizes were donated by friends of club members, they included a lovely hamper, 2 x 2hours of gardening vouchers, a bottle of port and gift sets. The bar was open, and service provided by Wendy Gray, this was much appreciated. A very pleasant afternoon. The club reopens on Wednesday 12th February 2-4pm when we look forward to another successful year. Audrey.
