Proposed Rippingale Neighbourhood Plan. We have now undertaken the mandatory regulatory 6-week consultation with residents from 1st June to 12th July. The major event to support this was the all-day consultation meeting on Saturday 26th June in the Village Hall 1000 – 1700, with presentations on the proposed Neighbourhood Plan given at 1000, 1300 and 1500. This was relatively well attended.

This Plan will form part of the statutory planning framework for the area, and the policies and proposals contained within the plan will be used in the determination of planning applications. The Plan also affords the opportunity to protect and enhance the facilities and natural features that are most valued in the Village. The Plan, if approved, will be used by SKDC planning officers and elected members of the local authority in assessing planning applications, by applicants as they prepare planning applications for submission to the local authority and by the Parish Council in consideration of planning applications in the neighbourhood.

Thank you to the residents who made comment on the proposed plan; these will be analysed and addressed, and any amendments made to the proposed Plan as necessary.

Next steps. After some further work on a Basic Conditions Statement, a Consultation Statement and Finalising a Sustainability Appraisal, the Plan will then be submitted to SKDC for consideration and a further 6-week consultation with the Village will take place. After this an Independent Examiner will verify the Plan; once this is achieved a referendum on the Plan will be organised by SKDC with the electorate of the Parish of Rippingale to gauge the acceptance of the document.

Tennis Court. The refurbishment of the playing surface of the Tennis Court on the Playing Field is now complete. The Court is open to any residents to play tennis. The entry code can be obtained via 07908 540683.

Vacancies for Parish Councillors. There remain vacancies for two Parish Councillors by co-option. These roles are interesting and satisfying. We are looking for volunteers with a wide variety of skills and backgrounds. If you are interested in contributing to the life of the Village, and would like greater information, please contact me. To be eligible, you must be over 18, on the electoral role and have lived or worked within 3 miles of the Parish for at least 12 months.

Coronavirus Support. With statutory limitations lifted on COVID restrictions, many thanks to the many volunteers and residents who supported the vulnerable and elderly during the difficult periods of the Coronavirus pandemic. This is much appreciated.

Evening Service - Sunday 29th August at 5.30pm
A warm welcome to all, hopefully we will be able to resume singing again soon.

Coffee Morning. So, our Coffee Morning came round again on the 6th July, still not being able to gather inside and with rain predicted, a gazebo, garden parasol and a fishing umbrella were seconded into action. However, 'someone' was looking down on us and the rain never appeared. Many thanks to all who supported this event and those who helped. The next one will be on Tuesday 2nd August where there will be plenty of vegetables for sale.

Rippingale & District Friendship Club. WONDERFUL..... We finally got to have a day trip, everyone was very excited and happy to see each other and catch up with all the news. The weather was kind to us, The Jug and Bottle catered for us all meeting all the government guidelines with no fuss. Cleethorpes was basked in sunshine and not too busy, giving us time to stroll along the prom, browse the shops, coffee and ice-cream and take in the sea air, even the tide came in if a paddle was on your agenda. A&P Travel provided an excellent service as usual.

I am pleased to say that the club will (fingers firmly crossed) have re-opened on Wednesday the 21st July at 2pm. If you are interested in joining us, please contact myself Audrey 01529 241358.

Our second day trip on Wednesday 28th July was a MYSTERY TRIP? Wonder where we went?

I will let you know in the September news. The 3rd trip is on the 25th August destination to be confirmed.

This information is all dependent on Covid restrictions of course and due to holidays, is being written at the end of June!

Hospital Car Scheme. I am pleased to say this service will re-start with effect from Sunday 1st August 2021. My telephone number is 01778 440063 and I will do my best to provide a driver on all occasions. However, there is no guarantee that every request for help can be covered.

My team of drivers would benefit from having their numbers increased by the addition of up to three new members. If you can spare some time, hold a full driving licence, and have full comprehensive insurance then please do get in touch.

Thankyou Derek R. Diess
