Rippingale & District W.I. Report of June 2019 Meeting.

President Jeannie warmly welcomed everyone especially Briony a visitor. We paused for a moment to think of our member Rachel who was recently bereaved & our member Pat who had to return home from holiday suddenly due to illness.

Our speaker for the evening, Sonia Lewis, Crisis Education Co-Ordinator from the Red Cross, was then introduced. Sonia explained that she was hoping to give members confidence in going to a person's aid in a medical crisis with the most up to date advice. We covered the scenarios of broken bones, head trauma, heavy bleeding, burns & someone not breathing. We all received a First Aid guide booklet to take home.

During our welcome refreshment break, we had to select those events we wished to attend out of those on offer from our Federation and invitations from other local W.I's which included lunches, Speakers Corner and the Harrogate Flower Show.

After the break the Rippingale Feast on 6th July was discussed, requesting cakes for the W.I Stall and assistance on the day. Plans are also proceeding for a lively fund-raising event probably in October, so watch this space!

A beautiful peony won the flower competition and a note pad won the 'something beginning' with N competition. Surprisingly only two members have birthdays in June and, as usual, they received beautiful handmade birthday cards made by our own very talented Sue T. Names were also drawn from the hat to organize next January's members evening! Next month's speaker will be Chris Smith talking about 'New England in the Fall'. All will be made most welcome.

Clare's Exercise Class.

By the time you read this we will have broken up for the summer and will be returning on September 4th 12noon-1pm in Ripplingale Village Hall. If you are interested and would like to join us on our return, please ring Clare for more information 423351 or 07890566538

Churchyard Lighting.

Residents will have noticed that 4 new lampposts have now been erected in the Churchyard and are lighting the path after dark. Once again, many thanks to the sponsors who enabled this project to be undertaken, which has enhanced the appearance of the Churchyard.

Rippingale & Dowsby Neighbourhood Plan.

I can report that progress continues. As you can see, the Plan's name has changed, dropping Aveland, to fully reflect its final geographical footprint. The drafting of the Plan's Vision and Objectives, which will allow the commencement of the drafting of the Plan proper, should be completed by the time of the issue of this Newsletter. The final version of the Neighbourhood Profile Assessment, used to produce the Vision and Objectives, which takes account of residents' consultation, has been posted on the Village website, along with other information. If you wish to contribute to this process in anyway please contact me or contact Mike Hallas, the Project Manager, via mike.hallas@btinternet.com.

Grass Cutting.

Many residents will have noticed the disappointing standard of grass cutting carried by the two contractors engaged by the Parish Council and South Kesteven District Council. This has been highlighted by the Parish Council to the two companies involved and we should hopefully see an improvement. Once again, many thanks to the residents who are cutting grass outside their properties, often to a higher standard than the contractors!

Mr Chris Charlton, Chairman.

Coffee Morning.

We are now seeing what I call the new season of lovely local fresh vegetables. All a mouth-watering quality at a very fair price and everything is being sold which is always a good sign. As usual there are numerous other items for sale from Cakes etc. to Books, Plants and lots of other useful items generously given to us to help raising money for our Roof. You are all most welcome to come and join us and look forward to meeting you all old and new. **Next Coffee Morning Tuesday 2nd July 2019**

The Feast.

As you are all aware this will be on Saturday 6th July 2019 and is a really great community event. St Andrews will be having a Chocolate Tombola stall, in the Church, which in the past has been very successful. If you are able to donate anything Chocolatey for this, we would be most grateful. Please bring items to the Coffee Morning (Tuesday 2nd July) or leave at 7 Pinfold Close.

We also hope to be doing some light refreshments within the Church so again we are hoping that some kind parishioners may bake a cake for us possibly or something else. Please contact Sue Atkinson to discuss further.

If there are any matters, you wish to discuss with the Churchwardens our doors are always open.
